Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Eau Claire PFAS Removal Project in fiscal year 2024. The entity to receive funding for this project is The City of Eau Claire, located at 203 S Farewell, Eau Claire, WI, 54701. The funding would be used to build a water treatment facility to ensure clean safe drinking water for the community. The project is an appropriate use of taxpayer funds because it will ensure clean, safe, and reliable drinking water source for approximately 70,000 residents, and over 100,000 community users.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "D Van Orden".
